

# PURPOSE BOUND - PACKING CHECKLIST

The following packing checklist contains everything the average participant may need for an enjoyable trip, and also has reminders of required items. We encourage you to pack light, but also keep in mind that there are no laundry facilities.

Note: Our vessels have minimal personal storage space, so you should use duffel bags or other "collapsible" baggage for packing. Traditional, boxy suitcases cannot be brought on board our vessels. For your air travel, we recommend carry-on luggage only.

Items marked with "(C)" are only applicable to Caribbean trips.
